Samuel Olatomide Akinboro

Lagos, Nigeria | (+234) 902-412-9891 | akinboroo@gmail.com | LinkedIn | Portfolio

Professional Summary

Results-driven Full Stack Developer with 5+ years of experience in building and scaling user-centric web applications, including high-growth fintech and payment solutions. Proficient in modern stacks like React.js, TypeScript, and Node.js, with hands-on experience in Agile product management, cross-functional leadership, and end-to-end product development. Proven ability to translate complex business requirements into scalable technical solutions, drive performance improvements, and lead engineering and design teams. Seeking to leverage technical and product expertise in a forward-thinking, remote-first environment.

Technical Skills

- Frontend: JavaScript (ES6+), TypeScript, React.js, HTML5, CSS3

- Styling & UI: Tailwind CSS, Material-UI, Responsive Design, Mobile-First Development

- Tools & Platforms: Git/GitHub, Figma, Vercel, VS Code, Postman

- Methodologies: Agile/Scrum, Performance Optimization, Cross-browser Compatibility

---

Professional Experience
